

Scorpion MX32 Mid Soft

Product presentation (maximum 100 words) – 30 words

BEST PERFORMANCE FROM SOFT TO MEDIUM SURFACES. Effective in all use conditions: competition, training or just for fun! Excellent traction to guarantee the maximum power transmission to the ground. Block arrangement optimized to improve braking stability and cornering side-grip. Front lateral knobs guarantee greater line-holding precision in corners. Performance reliability even in extreme conditions. The tread pattern and compound were developed with the contribution of the most prestigious players in MX international competitions.

Application
